www.RainmakerSeminarsInc.com

Features

- Directs practice growth into more specific, lucrative areas
- Covers theory, but focuses on ideas and concepts that can be put into action immediately
- Delivers concepts and actions in compact, intense half day programs

Benefits

- Develop and solidify relationship with current clients
- Build and expand referral network
- Develop long term marketing plan
- Increase intrinsic satisfaction by doing work you enjoy

Every year the nation's law schools graduate thousands of promising attorneys. Look around... which attorneys are prospering today?

The rainmakers!
They don't teach marketing in law school... they teach law!

Rainmaker Seminars bridges the gap between law school and law practice by providing marketing seminars to complement the professional education attorneys receive in law school.
